5 Tips from CIC Staff for sending clear and professional emails

1. Always **include your NAME** in emails. (If you do not, the receiver will not know who you are.)
2. If you are a Member, state your **Membership Number**. (This is the key thing you must tell us).
3. Ensure the email to which you are **replying** is included at the bottom of the email 'string'.
4. Only send an email to one CIC **email address** (do not copy - cc - it to several email addresses).
5. **Always re-read your email before sending it** to ensure it is clear and has no spelling errors.

Next time you send an email, construct it professionally by following all 5 of our tips!
