Message of Success from CIC Graduate MERCY JOLLY NABACHWA

"I express my gratitude for acceptance onto the Mastery of Management Diploma in Human Resource Management at Cambridge International College. It is an exciting opportunity to further my education and knowledge in this field.

I am also pleased to inform you that I successfully graduated with a Bachelor degree in Business Administration from Uganda Christian University. This achievement has been a significant milestone in my academic journey.

I emphasize how valuable the CIC Diploma in Human Resource Management has been. The knowledge and insights greatly enriched my understanding of human resource management and were directly applicable to the degree. I used those skills to enhance my academic performance and practical understanding of the subject. Once again, thank you for this wonderful opportunity, I am looking forward to embarking on this new educational journey of the Graduate Diploma with CIC.

Warm regards,
Mercy Jolly Nabachwa"

Ensure You Communicate Professionally

Whether you send an email from a computer or a cellphone, always:

- ★ Include your NAME, designation and address; and if you are contacting CIC always give your Membership/Reference number.
- ★ Always read through your email BEFORE you send it, to check for errors or unclear sentences, and to check your punctuation.
- ★ Do not rush: making errors gives others a poor and unprofessional impression of you - so take care to communicate well.
