Carvern Shamu, Honours Diploma wrote from **South Africa**:

"My success and recognition is thanks to CIC and their brilliant Curriculums. All supported by professional, dedicated 24/7 staff who ensured I received on-time bespoke services with this classic, affordable global College."

Fridah Nkonge, Honours Diploma wrote from **Kenya**:

"I am thrilled my CIC Honours Diploma led to a rapid promotion to an executive role abroad. I'm grateful for the exceptional support and resources, which were pivotal in my career. I'm very excited to further my development with CIC."

Joseph Kwame, Honours Diploma wrote from **Ghana**:

"My Stores Management Diploma gained me employment as a Storeman at African Mining Services. With my Honours Diploma in Materials Management my career progressed and my post is now Stores Officer at Amax Ghana."

Kwabena Ababio, Honours Diploma wrote from **Belgium**:

"I am proud of CIC's high value. With my Honours Diploma I was accepted by the University of Derby in UK for a top degree program of Bachelor of Arts (Hons) in Accounting & Finance. CIC prepared me to climb the ladder to the top!"

CIC Baccalaureate Graduate

Benjamin Eebo Ampere wrote from the **United States of America (USA):**

"With my CIC Baccalaureate studies and award I have been able to relocate to the USA and I obtained permanent residence status. It enabled me to get a job and so I am now working with the Connecticut State Department. The CIC programme is enhancing my development rate and my growth potential in the department."

CIC EBA Graduate

Rukunde Dikarabo-Motlhalefi wrote from **Botswana:**

"I completed my very informative and interesting Executive Business Administration in IT Systems & Database Administration. I presented the certificate to my employer who rewarded me with an allowance aligned to my new qualifications which is 35% of my salary per month."

CIC EMBA Graduate

Marie Johnson wrote from the **United Kingdom:**

"I started my CIC journey with an Honours Diploma in Management, completed an EBA in Project Management and then an EMBA. They really helped my career and I was promoted to Senior Manager. I never thought I could achieve this, but with CIC's support I did! Study at your own pace whilst working is much better than traditional study."

CIC Baccalaureate & Graduate Diploma Graduate

Chisoni Ngoma wrote from the **United States of America (USA):**

"Thank you for the high-level quality education required to lead and manage organizations. After graduating from CIC with a Baccalaureate and Graduate Diploma on International Marketing, I was offered a scholarship to pursue a Master of Arts degree in Leadership in New York. I recommend those who want to succeed to enrol and study with CIC."

CIC Baccalaureate Graduate

Sahr Nyaama wrote from **Sierra Leone:**

"I started my academic journey with CIC by gaining good Diploma results. On completing my studies I worked with several institutions local and international and I later re-entered CIC to study the Baccalaureate in Administration. I am currently the Chairman of the National Youth Service, a government agency supervising youth affairs in my country."

CIC Mastery of Management Graduate Diploma Graduate

Mercy Jolly Nabachwa wrote from **Uganda:**

"I want to emphasize how valuable the CIC Graduate Diploma in Human Resource Management has been. The knowledge and insights greatly enriched my understanding of human resource management and I used those skills to enhance my academic performance and practical understanding of the subject."

CIC EMBA Graduate

Paulos Kibreab Hizbai wrote from **Eritrea:**

"CIC improved my ability, confidence, decision-making skills, thinking, understanding and leadership style. Studying the EMBA enabled me to develop better time management skills and be more efficient. It advanced my career and personal development. It gave me the tools to tackle and manage top decisions and difficult situations I encounter."

CIC EMBA (& CIC Mini MBA) Graduate

Hortence Wandji Kamdem wrote from **Cameroon:**

"It is an amazing journey learning with CIC. It is the ultimate investment for career growth and personal development with a good balance of intellectual and operational ability. It widens your views and understanding, giving the opportunity to put into practice the theoretical learnings. As a Manager, I can now demonstrate a global business expertise."

CIC Honours Diploma Graduate

Mathew Kimson wrote from the **Solomon Islands:**

"The contents were comprehensive and well-organized. The pace was well-balanced, allowing me to absorb the material without feeling rushed. The self-assessment tests and easy-to-learn Modules enhanced my understanding. I recommend these Programs to anyone interested in Education. I found it an extremely valuable learning experience."

BACCALAUREATE IN BUSINESS ADMINISTRATION

★ The EBA Programme will greatly improve skills, competencies, knowledge and confidence; and offers an opportunity to specialise and gain an in-depth understanding of the business environment.

MASTERY OF MANAGEMENT GRADUATE DIPLOMAS

These specialist Programs comprise market-leading content and syllabuses written by leading authors and experts. They have been developed and produced by leading professionals to provide great knowledge, understanding and development.

They are designed for men and women who already possess good subject knowledge, have completed appropriate levels of study, and who require expert, specialist knowledge for their careers. Holders of a Graduate Diploma have demonstrated expert skills and have the knowledge to hold top posts.

These professional Programs are offered to men and women who are, or who aim to become, specialist senior managers, directors, executives and professionals; and who wish to gain specialist, high-level awards and knowledge in a particular career area or field of expertise, and apply it effectively in work.

- ❖ Study level: Level 7
- ❖ Programme duration: 1 year (flexible study, average is 6 to 15 months)
- ❖ Minimum age: 20
- ❖ Further studies? Yes, including: EMBA

Accounting for Decision Makers (Financial Accounting; Management Accounting)

Introduction: The Financial Accounting Program focuses on how financial statements and data can improve the quality of financial decision making. The Management Accounting Program focuses on strategic planning and making the best management and business choices.

The Programs are ideal for financial and accounting personnel, particularly decision makers and planners, and for business managers, executives and directors. Contents include:

- Measuring & Reporting on Financial Position
- Company Accounting, Analysing Statements
- Reporting Cash Flows, Assets, Liabilities
- Governing a Company, Interpreting Accounts
- Purpose of Management Accounting, Costing
- Relevant Costs, Cost-Volume-Profit Analysis
- Costs, Competition, Budgeting, Control
- Investment Decisions, Measuring Performance

Business Finance & Investment

Introduction: This Graduate Diploma Program covers the theory and practice of business finance. It focuses on major theories of financial decision making and investment appraisal methods. It explains about financial decision-making theory and about decision-making in actual practice.

The Program is ideal for: accountants, finance & investment personnel; managers, directors and owners, who must make effective, well-informed finance and investment decisions. Contents include:

- The Business Finance Environment
- Business Finance, Organisation of Business
- A Framework for Financial Decision Making
- Financial Accounting Statements, Analysis
- Investment Decision Making
- Investment Appraisal Methods, Risk Factors
- Portfolio Theory and Pricing Models
- Tax, Inflation, Capital Rationing, Cash Flows

Business Law

Introduction: This Graduate Diploma Program covers the major area of business law and legal developments, using business examples to increase understanding and to demonstrate the practical application of the law and how it applies to businesses.

The Program is ideal for intending law specialists, and for business managers, executives and others who require a good knowledge of business law. Contents include:

- The Nature of Law, How Law is Made
- The Terms of Contract, Remedies for Breach
- Tort Law, Liability: Goods, Services, Premises
- Employment & Agency Law, Sale of Goods
- Work Rights: Safety, Discrimination, Dismissal
- Company Law, Formation, Organisation
- Directors, Secretary, Auditors, Shareholders
- IP, Copyright, Patents, Trademarks

Corporate Strategy, Policy & Planning

Introduction: This Graduate Diploma Program expertly explains about strategic management and corporate policy, how to analyse the business environment, and how to make strategic decisions. It clearly and expertly explains how to plan, implement and control strategies, and evaluate them. **The Program is ideal for business and organizational leaders, directors and strategists who need to assess the internal and external environment and choose suitable strategies. Contents include:**

- Concepts of Strategic Management & Policy
- Corporate Governance, Social Responsibility
- Environmental Scanning, Industry Analysis
- Internal Scanning, Organization Analysis
- Strategy Formulation, Strategic Choice
- Business, Corporate & Functional Strategy
- Implementing and Organizing Strategies
- Evaluation & Control, Other Strategic Issues

Event Management

Introduction: This Graduate Diploma Program provides the knowledge and sophisticated skills required to become a professional event manager. It covers event strategic planning, marketing, budgets, venues, laws, clients and sponsors, and human resource management.

The Program is ideal for project and event management specialists and planners, managers and staff involved in hosting tourism, business, sporting, hospitality and other events. Contents include:

- The Event Industry, Concepts, Logistics, Venues
- Legal Matters, Client Relations, Agreements
- Marketing Strategy, Planning, Finance, Risk
- Event Bids, Event Project Management, Tools
- Promotion, Public Relations, Sponsorships
- Staging Events, Services, Contractors, Catering
- HR, Staffing, Safety, Security, Crowd Control
- Protocol, The Environment, Event Control

Financial Strategy & Decisions

Introduction: This Graduate Diploma Program explains the theory and practice of financial strategy. It starts with financing the operations of an organisation, the stock exchange, gearing and dividends, then focuses on integrated financial decisions combining investment, finance and management.

The Program is ideal for people aiming to be respected high-level managers, executives, accounts and/or financial controllers, for directors, and business people. Contents include:

- Finance Decisions, Short & Long-Term Finance
- The Cost & Finance of Capital, Discount Rates
- The Stock Exchange, Secondary Markets
- Financial Gearing, Shareholder Wealth
- Dividend Theory, Dividend Decisions, Taxes
- Management Of Working Capital, Liquidity
- Mergers, Takeovers, Portfolio Theory
- International Finance, Exchange Rates

International Marketing

Introduction: This Graduate Diploma Program provides an informative explanation of the international marketing and planning process, of customers, producers, suppliers and global markets. It covers developing and implementing marketing programmes, dealing with challenges and global competition.

The Program is ideal for marketing executives and personnel, and import & export managers. It will also greatly help those with duties in logistics & supply chains and global trade. Contents include:

- Global Marketing, Planning, Organising
